Queensland Residential Services Legislation Training Manual

The training manual is based on the Queensland Residential Services (Accommodation) Act and Residential Services (Accreditation) Act. The content concentrates mostly on the Accommodation Act and explores areas of the Accreditation Act that apply to residents in boarding houses, hostels and aged rental accommodation. It is designed to assist resident support people to provide advice and advocate for residents.

Resident Action Sheets

The Action Sheets were produced in consultation with residents and are designed to be used by residents with step by step actions and tips.

Resident Wallet Cards

Handy and durable cards for residents with useful phone numbers.
